

User Guideline

Biznet Information Signage
Pandemic Series.

About.

The COVID-19 pandemic has highlighted now more than ever the importance of health and safety guidelines as we look toward an eventual return to physical spaces. We are thinking of new ways to help the public to navigate the pandemic.

Here's Biznet creates minimalist signages focused on the immediacy of COVID-19 information. We create simple and easy to understand visuals that help customers and consumers stay safe during the pandemic.
