Biznet Holds Biznet Festival Batam 2017

Batam (Riau Islands Province), 22 April 2017 – Biznet holds Biznet Festival Batam 2017 on the 22nd of April 2017 at Lapangan Engku Putri, Batam. Biznet Festival Batam 2017 is the sixth Biznet Festival event conducted by Biznet after previously held in Kediri, Bali, Tegal, Sukabumi and Purwokerto since 2016. The excitement of Biznet Festival Batam 2017 will be completed by performances from two bands that have released best selling albums in Indonesia, Nidji and Armada. Other excitements of the event include Band Competition, Dance Competition, lots of games and prizes, cool activities from Batam online communities, and also free super fast Wi-Fi from Biznet.

"We are very excited about Biznet Festival Batam 2017, which is the third Biznet Festival in 2017 after Sukabumi and Purwokerto. In 2015 we have officially completed our Biznet Fiber Java Bangka Batam Singapore network and we are glad that we can finally provide reliable Internet service, supported by high-quality infrastructure for everyone in Batam. Biznet Festival Batam 2017 represents our commitment to continue providing reliable Internet service, and at the same time provides fun entertainment for all visitors of the event," said Adi Kusma, President Director of Biznet.

Biznet has officially expanded its coverage area to Batam in 2016. Batam is an island that is part of Riau Archipelago and located very close to Singapore, which is only 20 km away or 50 minutes by sea. The island has developed into a significant industrial and tourism area and it has a rapid rising population. It attracts an increasing population from other islands in Indonesia as well, who see Batam as the land of opportunity. Batam also attracts increasing number of tourists who mostly seek for a brief holiday with friends and family, seeking for duty free shopping or to hunt for delicious seafood.

Based on how Batam has developed and grown into one of the main business and tourist destinations in Indonesia, the demand for high-speed Internet connections is also continue to increase. Biznet, as one of the leading telecommunication and multimedia service providers in Indonesia, is glad to finally able to expand its coverage area to Batam offering high-quality Internet service at an affordable price. Biznet has covered several areas and districts in Batam including Baloi Permai, Baloi Indah, Muka Kuning, Sungai Panas, Batu Selicin, Lubuk Baja Kota, Teluk Kering and many other areas, with on-going coverage expansion.

For Batam market, Biznet offers two types of services for homes/individual segment and also for business/SMB segment, at an affordable price, and with several service packages for customers based on their specific requirements. For homes/individual segment, Biznet offers Biznet Home service with service package starting from 25 Mbps at Rp 240.000/month. For business/SMB segment Biznet offers Biznet Metronet service, which is the best solution for startup business. Biznet Metronet service starts from 25 Mbps at Rp 800.000/month.
