

PRESS RELEASE

Biznet Provides The Best Wi-Fi Internet Service at Taman Kota Kediri

Kediri (East Java), 7 December 2016 – Biznet officially announced the availability of Wi-Fi Internet service through Biznet Hotspot service at Taman Kota Kediri, at a special event held at the Grand Surya Hotel, attended by the Mayor of Kediri, Mr. Abdullah Abu Bakar, S.E., as well as the Senior Manager Sales Regional Biznet for East Java and Bali Region, Mr. Bagus Wicaksono. The event was also attended by representatives from the media and also from the Government of Kediri.

To provide the best Internet service in Taman Kota Kediri, Biznet is working together with the Government of Kediri, who is also very supportive in terms of Internet service expansion and availability in Kediri to support various activities. Now, the people in Kediri can enjoy fast Internet connection from Biznet Hotspot for free, at anytime, at Taman Kota Kediri.

Biznet Hotspot is an Internet service with wireless technology in public places, developed specifically for individual segment, and any individuals can enjoy this service for free in hundreds locations that include shopping malls, restaurants/cafes, apartments, hotels, schools, universities, and other public places in Jakarta, Bali, Bandung, Yogyakarta, as well as Kediri and other cities that have been covered by Biznet networks. For more information about the location of Biznet Hotspot service, visit www.biznethotspot.com.

Here are three easy steps to enjoy the best Internet connection from Biznet Hotspot:

1. Open Wi-Fi settings on your device and choose SSID “**@FreeBiznetHotspot**”
2. Open your Browser and click “**Start Now**”
3. Click “**Connect**” button to enjoy Biznet Hotspot service

Biznet service has officially been available in Kediri since 2015 and on February 2016, Biznet held Biznet Festival Kediri 2016 at Lapangan Brimob Kediri, which has more than 7.000 visitors. The event was conducted not only to provide high quality entertainment for all the people in Kediri but also to officially introduce Biznet services to all the people in Kediri who need the best Internet service to support their business and daily activities.

“As shown in our tagline, Connecting Indonesia, we are committed to continue expanding our network to more areas in Indonesia. Kediri is one city that we think has a huge potential to grow, with high quality human resources. Biznet is also very delighted to work together with the Government of Kediri to provide Biznet Hotspot service at Taman Kota, which we hope will further increase the productivity of those who need the best Internet connection,” said Adi Kusma, President Director of Biznet.

Aside from Biznet Hotspot, Biznet also offers Biznet Home service, the best Internet service for family that comes in several packages for customers based on each customer’s requirements, starting from 25 Mbps at Rp 240.000/month, and Biznet Metronet, which is the best Internet service for SMBs and startups, now available starting from 25 Mbps at Rp 800.000/month.
