## Biznet Holds Biznet Festival Yogyakarta 2023

**Yogyakarta - Central Java, August 5<sup>th</sup>, 2023** - Biznet presents Biznet Festival, which this time comes to greet people in Yogyakarta. Biznet Festival is a creative event for young people held in various cities in Indonesia to show their creative talents and ideas. This time, Biznet chose Yogyakarta as the venue for the event entitled Biznet Festival Yogyakarta 2023. The event, which was held on Saturday, August 5, 2023 at the Kridosono Stadium, presented a variety of entertainment for the public including the performance of top musician, Radja, who also enlivened the highlight of the Biznet Festival Yogyakarta 2023 event.

*“Biznet Festival Yogyakarta 2023 is a form of our appreciation for the people of Yogyakarta and Biznet customers for the support that has been given to Biznet so far. We present many activities and entertainment at Biznet Festival, with the hope of giving space for the people of Yogyakarta, especially the younger generation, to show their talents and creative ideas through various competitions at this event. We are also collaborating with one of the top musicians, Radja, to entertain the public and add excitement to this event which is open to the public and is free of charge. Moreover, especially for Biznet customers, we will also provide a special and more exciting experience at Biznet Festival Yogyakarta 2023,”* said Adi Kusma, President Director Biznet.

Biznet Festival itself has been presented by Biznet since 2016 in many cities such as Kediri, Bali, Tegal, Sukabumi, Purwokerto, Batam, Bojonegoro, Cirebon, Palembang, Tasikmalaya, Surabaya, and of course Yogyakarta, which was chosen as one of the cities where the Biznet Festival will be held in 2023. No less exciting than the previous Biznet Festival, Biznet Festival Yogyakarta 2023 will present various competitions that are more exciting and varied, such as Esports Gaming, Dance, Cosplay, Band and Coloring competitions.

As an integrated digital infrastructure company in Indonesia, Biznet also provides a free WiFi Internet connection that can be accessed by all visitors of Biznet Festival Yogyakarta 2023, so that visitors can easily upload the excitement of the event to social media in real-time from the venue. To add to the excitement of the event, Biznet is also presenting one of Indonesia's esports teams, which is also Biznet Official Esports Team, Team RRQ (Rex Regum Qeon), who will play with the participants in the esports gaming competition and meet directly with mobile game lovers in Yogyakarta.

Adi added, *“Biznet, which is an integrated digital infrastructure company in Indonesia that provides the best Internet services, will of course provide free WiFi Internet access for all visitors through Biznet Hotspot service, which can be used during the event. Apart from that, seeing that the world of esports gaming is also growing so rapidly with the number of fans continuing to increase, we are inviting the RRQ Team to join in enlivening the event and greeting the fans directly. We hope that this activity can give inspiration for the younger generation in developing their hobbies and creativity.”*

Biznet itself has been available in Yogyakarta since 2012, and is committed to continuing to expand its network to more regions or areas, so that more Yogyakarta people can be connected to the best Internet from Biznet. The expansion of the Biznet network in Yogyakarta was also marked and accompanied by the opening of the newest office **Biznet Technocenter Yogyakarta Jefferson** which is located at Jl. Pangeran Diponegoro No.19, Gowongan, Kec. Jetis, Yogyakarta City, Yogyakarta Special Region 55233. This office building itself consists of several rooms with complete facilities for Biznet employees, including a work area and a comfortable lounge. At Biznet Technocenter Yogyakarta Jefferson there will also be Biznet's 4<sup>th</sup> data center, which was built as a form of Biznet's commitment to continue to support the development of data center needs in Indonesia on an ongoing basis.

Moreover, for the Yogyakarta area and its surroundings, as per today Biznet has also operated several branch offices spread throughout the Yogyakarta area, with more than **45,000 homepasses** available in **31 sub-districts**. The Internet services that Biznet provides can also be selected according to people's needs, such as services for housing and apartments through Biznet Home and for the business/SME segment with Biznet Metronet service. For more complete information regarding Biznet's services available in Yogyakarta, you can visit [biznet.id/yogyakarta](http://biznet.id/yogyakarta).

*“We believe that Yogyakarta has large potential in terms of digitalization, therefore Biznet continues to expand the area and build digital infrastructure in Yogyakarta with the hope of supporting all digital activities of the people in this city. Therefore, we are also holding this Biznet Festival as a place to introduce Biznet services, with the hope that our services can be the answer to the needs of the people of Yogyakarta for reliable Internet and digital infrastructure that can support the development of this city,”* concluded Adi.
