

Biznet Perfecting People's Lives in Batam City with Bigger Bandwidth and More Affordable Price

Batam (Riau Islands), June 3, 2024 - Biznet as a digital infrastructure company in Indonesia continues to show its commitment in providing the best Internet service to all customers. In June 2024, Biznet presents 2 special promos as follows:

1. Price reduction of Biznet Home service specifically in Batam City by 30%.
2. Special in June, Biznet is adding 100 Mbps bandwidth speed for all Biznet Home services.

"Batam City has developed into one of the centers of industrial and tourism activities, with a very close distance to Singapore, only about 20 km away or takes about 50 minutes by sea, demanding that Batam also cannot be left behind in the digitalization sector. Biznet, which has been available in this city since 2016, has a strong determination to support digital acceleration in Batam by increasing the bandwidth capacity and at a very affordable price, so that it can be a solution for people in doing digital activities, especially in Batam," said Adi Kusma, President Director of Biznet.

For Biznet loyal customers in Batam City who have been using Biznet Home service, the bandwidth will be upgraded automatically by 100 Mbps from 1 - 30 June 2024 at a price that is 30% affordable monthly fee than before. This bandwidth upgrade proves that Batam City, as 1 of 4 International Internet gateways, can have better Internet connection speed capacity than other islands in Indonesia.

Batam City which is part of the Riau Islands has its own charm, as one of the centers of the shipping industry, shopping at duty free or just to taste delicious seafood. The development of the Batam area certainly needs to be supported by quality and modern technology infrastructure, with a fast Internet connection that can provide solutions for people in Batam in carrying out various activities, especially in today's digital era.

The following are the details of the changes to Biznet Home service packages, specifically for Batam Island of **June 1, 2024**:

Service	Bandwidth	Quota* (GB)	Monthly Fee Old	Monthly Fee New
Biznet Home Internet 0D	50 Mbps	1,500	Rp 250,000	Rp 175,000
Biznet Home Internet 1D	150 Mbps	4,000	Rp 375,000	Rp 250,000
Biznet Home Internet 2D	250 Mbps	8,000	Rp 575,000	Rp 400,000
Biznet Home Gamers 3D	300 Mbps	10,000	Rp 700,000	Rp 500,000

The price above does not include 11% VAT

For Batam and surrounding areas, Biznet currently has 8 (eight) branch offices spread throughout the Batam City area and has built a network of more than **20,000 homepasses available in 19 districts**. For the people of Batam City who want to subscribe to Biznet Home service, information about Biznet services and promos can visit biznet.id/Batam.

"By providing bigger bandwidth capacity and more affordable prices to customers in Batam, we hope we can support the community in providing the best Internet service. Internet has now become a primary need, not only for entertainment but also for work, school and business. We are also committed to continue expanding our coverage in Batam City so that all areas can use Biznet Home services," Adi concluded.
