

PRESS RELEASE

Biznet Holds Biznet Festival Bandar Lampung 2023

Bandar Lampung, 2 September 2023 – In 2023 Biznet will again hold the Biznet Festival event. After the cities of Surabaya, Yogyakarta, and Makassar, Biznet now holds the Biznet Festival in Bandar Lampung. The event, entitled Biznet Festival Bandar Lampung 2023, was held on Saturday, 2 September 2023 at Lapangan Saburai in Bandar Lampung, collaborating with top band GIGI to liven up the highlight of the event. Various exciting competitions are also present at the Biznet Festival Bandar Lampung 2023 and of course, the people of Bandar Lampung and surrounding areas can participate in them, such as Band, Cosplay, Modeling, Push Bike and MOBA competitions.

Bandar Lampung is one of the cities that has become Biznet's main focus in terms of network expansion since it officially arrived in 2019. Therefore, the expansion of Biznet's network in this city is also accompanied by the Biznet Festival Bandar Lampung 2023. *"Biznet is proud to present the Biznet Event Festival in Bandar Lampung City, as a form of our appreciation and gratitude to the entire community of Bandar Lampung and its surroundings for the support given to us so far. "Because of that, we hope that this event can be the right place for people not only to find entertainment but also to show their talents and creative ideas through the competitions we present,"* said Adi Kusma, President Director Biznet.

Biznet Festival created an event for young people held in various cities in Indonesia to show creative talents and ideas. At this event, Biznet also provides WiFi Internet access, which can be used by visitors for free with the hope that all visitors can get the best experience in surfing the Internet from Biznet. Apart from that, to add to the excitement of the event, Biznet is also presenting one of Indonesia's proud esports teams which is also the Biznet Official Esports Team, Team RRQ (Rex Regum Qeon), who will play with the participants in the esports gaming competition and meet directly with mobile game lovers. in Bandar Lampung. This event is free without any fees, and to be part of this event, people only need to register via biznetfestival.com.

Adi added, *"At this event, we also want to provide an opportunity for the people of Bandar Lampung to get the best experience on the internet, that's why we provide WiFi Internet, which can be accessed by all visitors for free during the event. "Apart from that, to provide an unforgettable moment for all visitors, Biznet also invited the RRQ Team, one of Indonesia's proud esports teams, to greet game fans directly in Bandar Lampung."*

Biznet Festival Bandar Lampung 2023 is also an event to introduce the services that Biznet presents to the people of this city, where Biznet has been present since 2019 in Bandar Lampung with a variety of services that can be chosen according to community needs, ranging from Internet services for housing to for business needs. Biznet provides Internet services that suit segment needs, such as services for housing and apartments through Biznet Home and for the business/SME segment with Biznet Metronet services. For more complete information, the people of Bandar Lampung can visit biznet.id/bandarlampung.

Bandar Lampung area and its surroundings, Biznet has several branch offices spread throughout the Bandar Lampung area and has built a network of more than 51,000 homepasses available in 92 sub-districts. Apart from that, in 2023 Biznet will also carry out the process of building submarine Fiber Optic cable network infrastructure, which will later connect the islands of Java, Sumatra, and Bangka under the name Biznet Nusantara Cable System-1 (BNCS-1). Will connect Anyer, Serang Regency (Java Island) to Kalianda, South Lampung Regency (Sumatra Island) and Sungsang, Banyuasin Regency (Sumatra Island) to Muntok, West Bangka Regency (Bangka Island) along approximately 100 KM.

"Seeing that the need for the Internet continues to increase, including in the city of Bandar Lampung, we hope that the Internet that we present can encourage society to develop by utilizing the Internet positively so that it becomes the best solution for the progress of the entire community. "By holding this event, we also hope that the people of Bandar Lampung can become more familiar with services that suit people's digital needs and help support people in carrying out their daily digital activities," concluded Adi.
