Biznet Holds Biznet Festival Surabaya 2023

Surabaya – East Java, 15 July 2023 – Biznet as an integrated digital company in Indonesia is holding Biznet Festival again, a youth creation event that is held in various cities in Indonesia to showcase talent and creative ideas. In 2023, Biznet Festival will first be held in Surabaya, on Saturday, 15 July 2023 at the East Parking of Plaza Surabaya, featuring the best musicians of the country such as D'Masiv and Kotak that will entertain every visitor of Biznet Festival.

"We chose Surabaya as the first city to hold the Biznet Festival in 2023, because until today Biznet keeps expanding its network in all areas of Surabaya. In addition, the areas and cities in Surabaya have the potential for digitalization, so it requires a very high requirement for the Internet. As Biznet's commitment to keep supporting Indonesia's digital transformation, we are ready to provide support for the advancement of society's digitalization, through Biznet services that can be adjusted to the needs of the population in Surabaya," said Adi Kusma, President Director of Biznet.

Not to be outdone, Biznet Festival 2023 also prepared various fun entertainment such as competitions that visitors can compete in, like Band, Push Bike, Esports Gaming, and Cosplay. Moreover, Biznet also provides free WiFi connection during the whole event for all visitors to enjoy the experience of being connected to the Internet, so that they can easily upload the pictures they took at the event with their friends and relatives. Biznet Festival Surabaya 2023 will be held open to the public and free. Visitors will only have to register online through biznetfestival.com.

For the Surabaya area and its surroundings, Biznet has been in the area since 2008, and today Biznet has several branch offices spread throughout the Surabaya Area which has built a network of more than **200,000 homepass** that is available in **296 sub-districts**. Biznet provides Internet service that is based on the needs of the segment, such as services for homes and apartments through Biznet Home and the business and small business segment with the Biznet Metronet service.
