

PRESS RELEASE

## In Collaboration with Senayan City, Biznet Holds a Booster Vaccination Center for the People.

3000 booster vaccines from 16 – 18 March 2022

**Jakarta, Indonesia, 16 March 2022** – As a form of support for the government's program to make Indonesia healthy and free from Covid-19, Senayan City in collaboration with Biznet through the Biznet Foundation participates in accelerating the vaccination program in Indonesia by facilitate giving of 3,000 booster vaccinations to the general public for free. This activity will be held on March 16-18, 2022, starting at 09.00-16.00 WIB at The Hall, Senayan City, 8th floor.

*“Participating in organizing a vaccination center is our commitment to being able to take an active role in providing support for public health and support the government's efforts to accelerate full-dose vaccination in Indonesia. In collaboration with Senayan City, we provide 3,000 doses of booster vaccines for the public, which is expected to help increase the body's immunity to the virus and reduce the spread of Covid-19. We also hope that the implementation of*

*this vaccination can help the public in providing a choice of vaccination center places,”* said Adi Kusma, President Director Biznet.

Halina, Leasing & Marketing Communication Director Senayan City said, *“Senayan City consistently implements health protocols according to government recommendations. Senayan City has routinely held doses 1 and 2 vaccinations since last year and this year it will be continued by organizing booster vaccinations to support government programs in an effort toward a healthy Indonesia. Senayan City in collaboration with Biznet has prepared 3,000 booster vaccines for the public for free. With the presence of this activity, it is hoped that it can help the general public to be able to get booster vaccines easily in a comfortable and safe place. In addition, we also want to invite the public to be more concerned about continuing to increase immunity so that it is protected from the spread of the virus and Indonesia can be free of Covid-19.”*

The implementation of this vaccination is part of Biznet Foundation, a platform specially established by Biznet to carry out CSR programs as a form of the company's concern for the community in various sectors, one of the health. Therefore, Senayan City and Biznet took the initiative to hold a vaccination center that can help the government's program to accelerate the provision of vaccines evenly, so that the Indonesian people can immediately rise from this Covid-19 pandemic. Senayan City and Biznet also collaborate with Husada Hospital as representatives of hospitals that assist in the vaccination process and provide medical personnel.

Senayan City and Biznet will distribute boosters shot to the people with the following requirements:

1. WNI and WNA are 18 years old and over and have received the first and second doses.
2. Vaccine boosters are given at least three months after the 2nd vaccination.
3. Already have an e-Ticket for the 3 (three) doses of vaccine on the PeduliLindungi Application.
4. Not valid to recipients of the Gotong Royong vaccine.

To facilitate the implementation of this booster vaccine, people are required to register first by filling out the registration online through <http://vaksin.senayancity.com>. Those who have filled out the form completely will get a confirmation email from Senayan City and must come according to the schedule that has been chosen. Senayan City does not serve walk-ins or people who are not registered through electronic forms. For more information, please visit [senayancity.com/](http://senayancity.com/).

*"In addition to the people, we also invite Biznet customers, Biznet employees, and media partners to participate in the implementation of this booster vaccination. In addition, Biznet also provides free WiFi Internet service that can be used by participants while waiting for their turn. And also during the event, of course, we continue to implement health protocols,"* closed Adi.
